

Fixed inflow of 5 m/s at the back portal

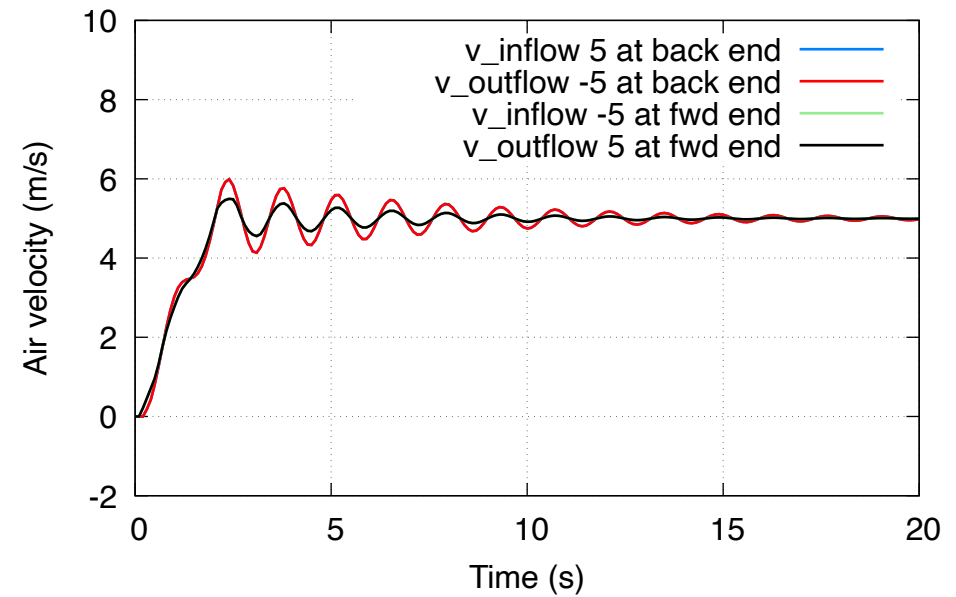

Fixed outflow of -5 m/s at the back portal

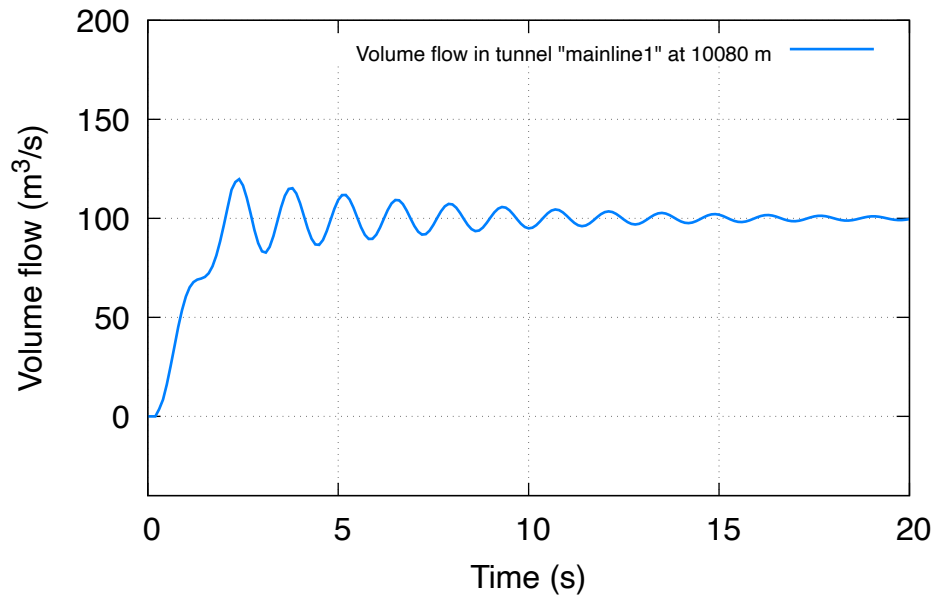

Fixed inflow of -5 m/s at the forward portal

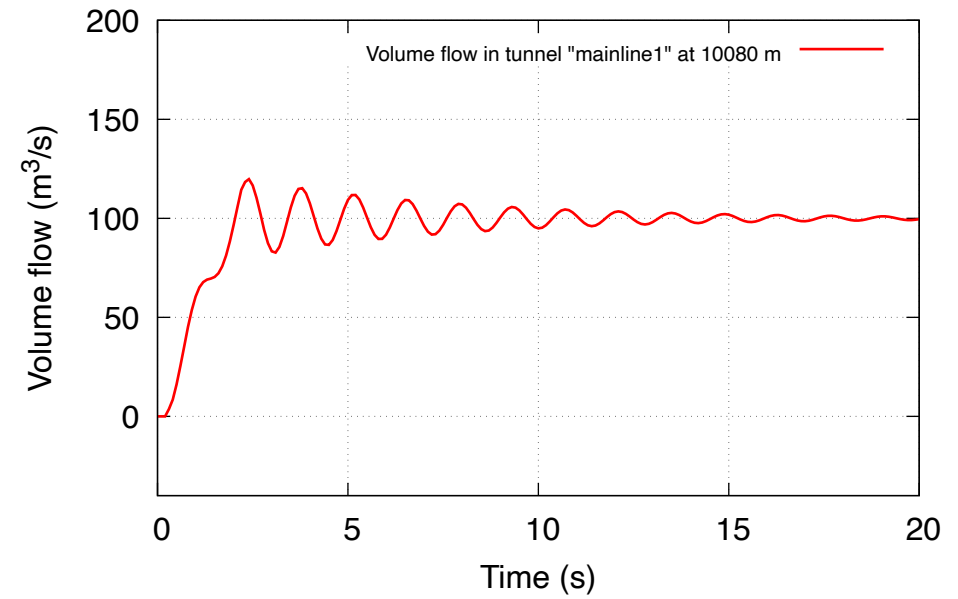

Comparison of velocities from different fixed velocity values

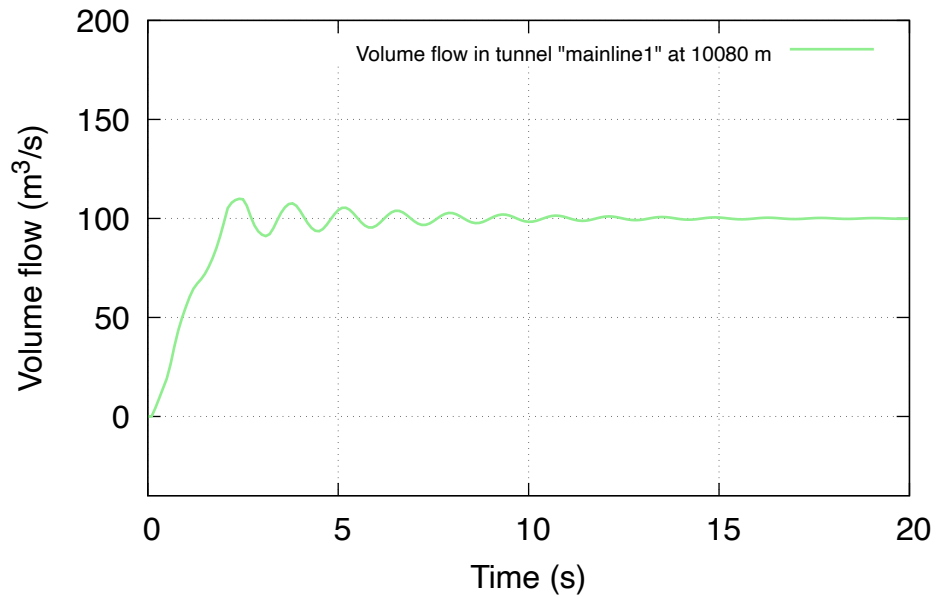

Fixed inflow of 5 m/s at the back portal

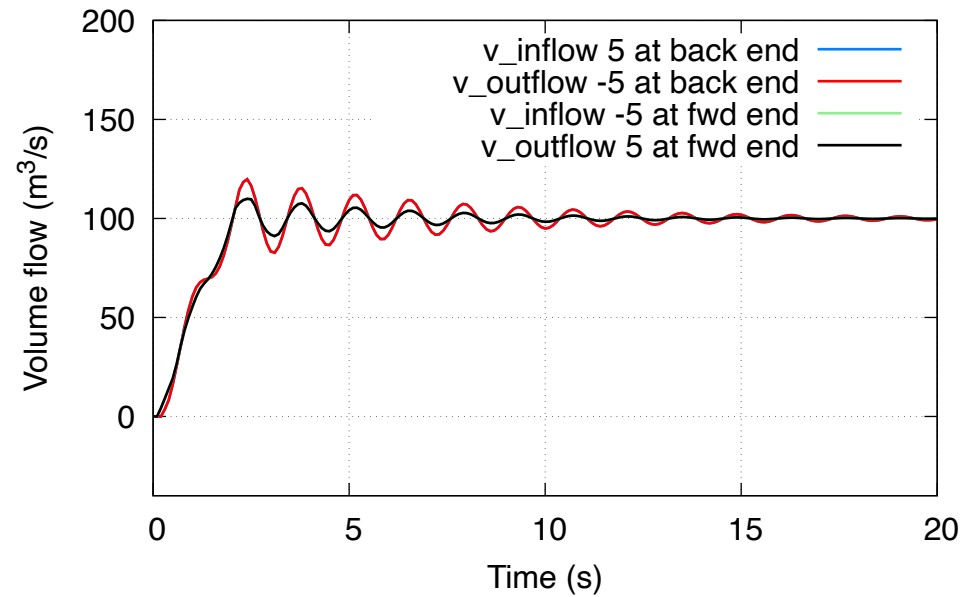

Fixed outflow of -5 m/s at the back portal

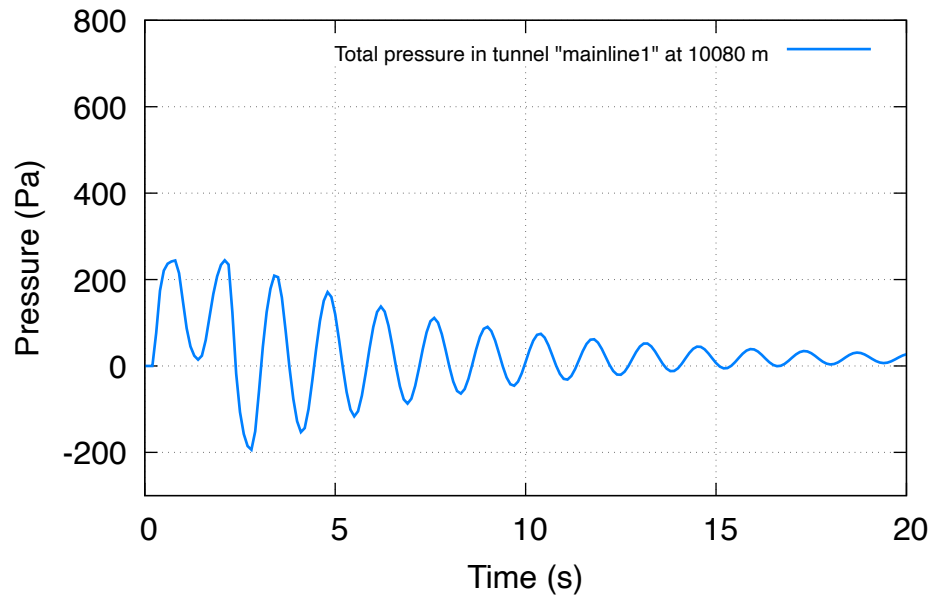

Fixed inflow of -5 m/s at the forward portal

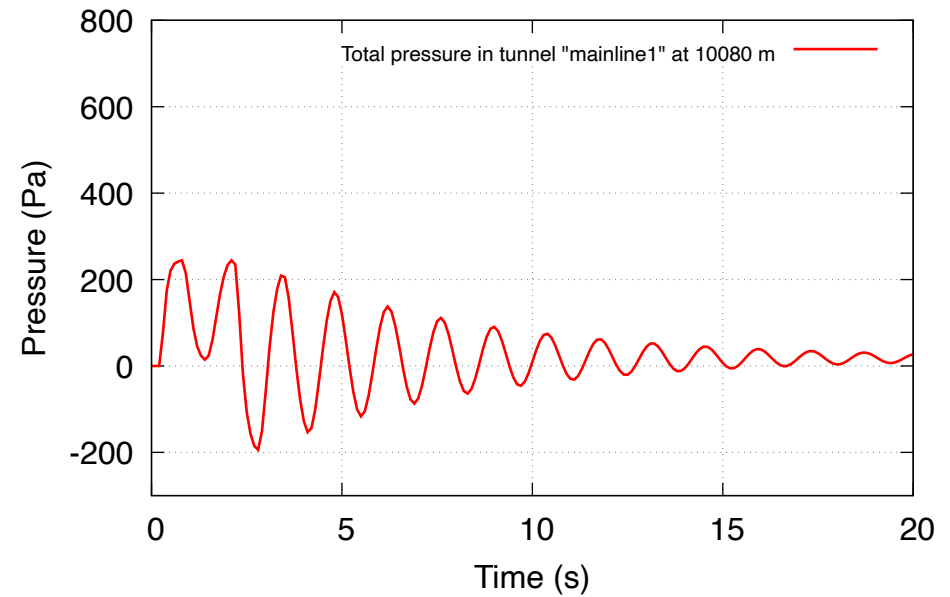

Comparison of volume flows from different fixed flows

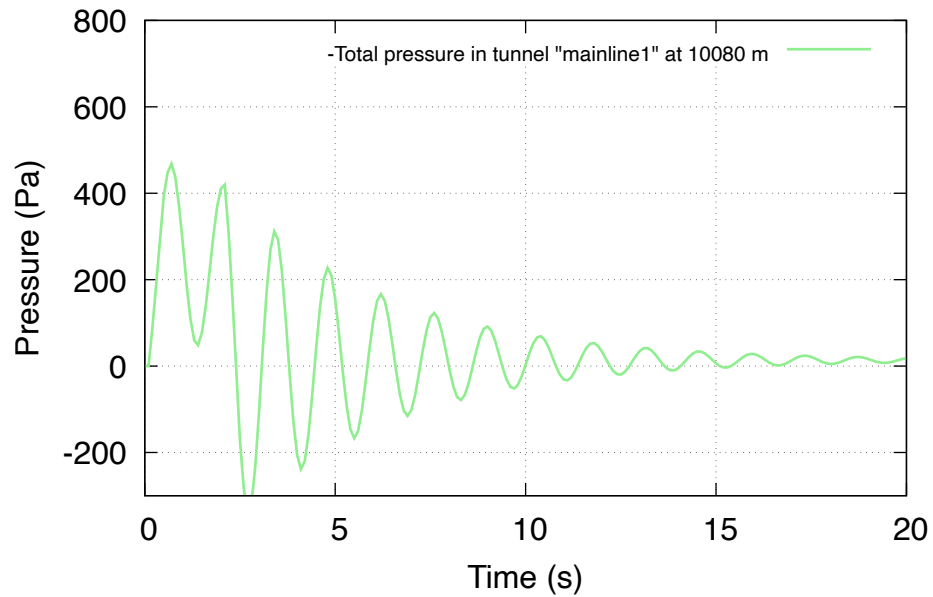

Fixed inflow of 5 m/s at the back portal

Fixed outflow of -5 m/s at the back portal

Fixed inflow of -5 m/s at the forward portal

Comparison of pressures from different fixed flows
